

Product Safety Information

Synthesizer Overlay Sticker

Important Safety Information

This product is a decorative and functional sticker overlay designed to be applied to synthesizers or similar equipment. **Please read and follow these safety instructions before use.**

General Warnings

1. Choking Hazard:

- Contains small parts and backing materials that could pose a choking risk. Keep away from children under 3 years old.

2. Application Surface:

- Ensure the surface is clean, dry, and free of debris before applying the sticker. Applying to unsuitable surfaces may cause poor adhesion or damage to the equipment.

3. Heat and Ventilation:

- Do not cover air vents, heat sinks, or other critical openings on the synthesizer. This may lead to overheating or equipment malfunction.

4. Electrical Safety:

- Avoid contact with electrical components or connections while applying the sticker. Ensure the synthesizer is powered off and disconnected from any power source during application.

5. Removal:

- Removing the sticker may leave adhesive residue or cause cosmetic damage. Use proper cleaning methods and materials to avoid harming the synthesizer's surface.

Application Instructions

1. Clean the synthesizer's surface using a lint-free cloth and mild cleaner. Allow it to dry completely.
2. Align the sticker carefully before applying, ensuring it does not obstruct critical controls or ventilation.
3. Press firmly to secure the sticker, smoothing out any air bubbles.
4. Once applied, allow the adhesive to set before powering on or using the synthesizer.

Environmental Safety

- Dispose of the sticker's backing materials responsibly. Follow local waste disposal regulations.

Liability Disclaimer

- The manufacturer is not responsible for any damage to equipment, adhesive residue, or improper application or removal of this sticker.
