

# Product Safety Information

## Eurorack Module

### Important Safety Information

This Eurorack module is designed for use within standard Eurorack synthesizer systems and is intended for **adult users** familiar with modular synthesis and electronic equipment. **Please read this safety guide before installation or use.**

### General Warnings

#### 1. Electrical Hazards:

- Ensure the power supply matches the module's specified voltage and current ratings (refer to the product manual). Incorrect voltage can damage the module and pose a safety risk.
- Never connect or disconnect the module while the Eurorack system is powered on.

#### 2. Heat Generation:

- The module may generate heat during operation. Ensure proper ventilation within your Eurorack case to prevent overheating.

#### 3. Sharp Edges:

- The module's faceplate and components may have sharp edges. Handle with care to avoid cuts or scratches.

#### 4. Small Parts:

- Contains small parts that could pose a choking hazard. Keep away from children and pets.

#### 5. Compatibility:

- This module is designed specifically for Eurorack-compatible systems. Connecting it to non-compatible systems may result in damage or malfunction.

### Installation and Use

- **Mounting:** Secure the module properly in the Eurorack case using the provided screws.
- **Power Connection:** Verify the polarity of the power cable before connecting to avoid damage to the module or power supply. Use only the included or manufacturer-recommended power cable.
- **Operational Use:** Follow the module's user guide for instructions on operation. Do not exceed the input/output limits specified.

### Maintenance and Handling

- **Inspection:** Regularly check for loose connections or signs of wear.

- **Cleaning:** Disconnect the module from power before cleaning. Use a dry or lightly damp cloth; avoid using solvents or water directly on the module.
- **Repairs:** Do not attempt to repair or modify the module yourself. Contact the manufacturer for support.

## **Environmental Safety**

- Dispose of the module, its components, and packaging in accordance with local electronic waste regulations.

## **Liability Disclaimer**

- The manufacturer is not responsible for any injury, damage, or malfunction resulting from improper installation, use, or modification of this product.
